SENIOR WEEK 149.

AWARDS 142.

ATHLETICS 112.

ACTIVITIES 97.

SENIORS 31.

STUDENT GROUPS 18.

FACULTY 9.

DEDICATION 4.

DEDICATION

We, the Class of 1961, lovingly dedicate this, our Senior Yearbook, to Mr. Robert Whelan, instructor of Physical Education, assistant coach of Football, and coach of Track.

Mr. Whelan is a graduate of Lynn English High School and Boston University. Before coming to

Natick he was a teacher-coach at Clinton High School.

A veteran of the United States Navy he is married and the proud father of four very wonderful children.

We wish him many years of happiness and success at Natick. His quiet, unassuming manner has endeared him to all.

MISS NAOMI KAPLAN
1958-1960

MISS MARION POTHIER
1960-1961

CLASSES ADVISORS

MR. CHARLES WOODHAMS
1958-1961

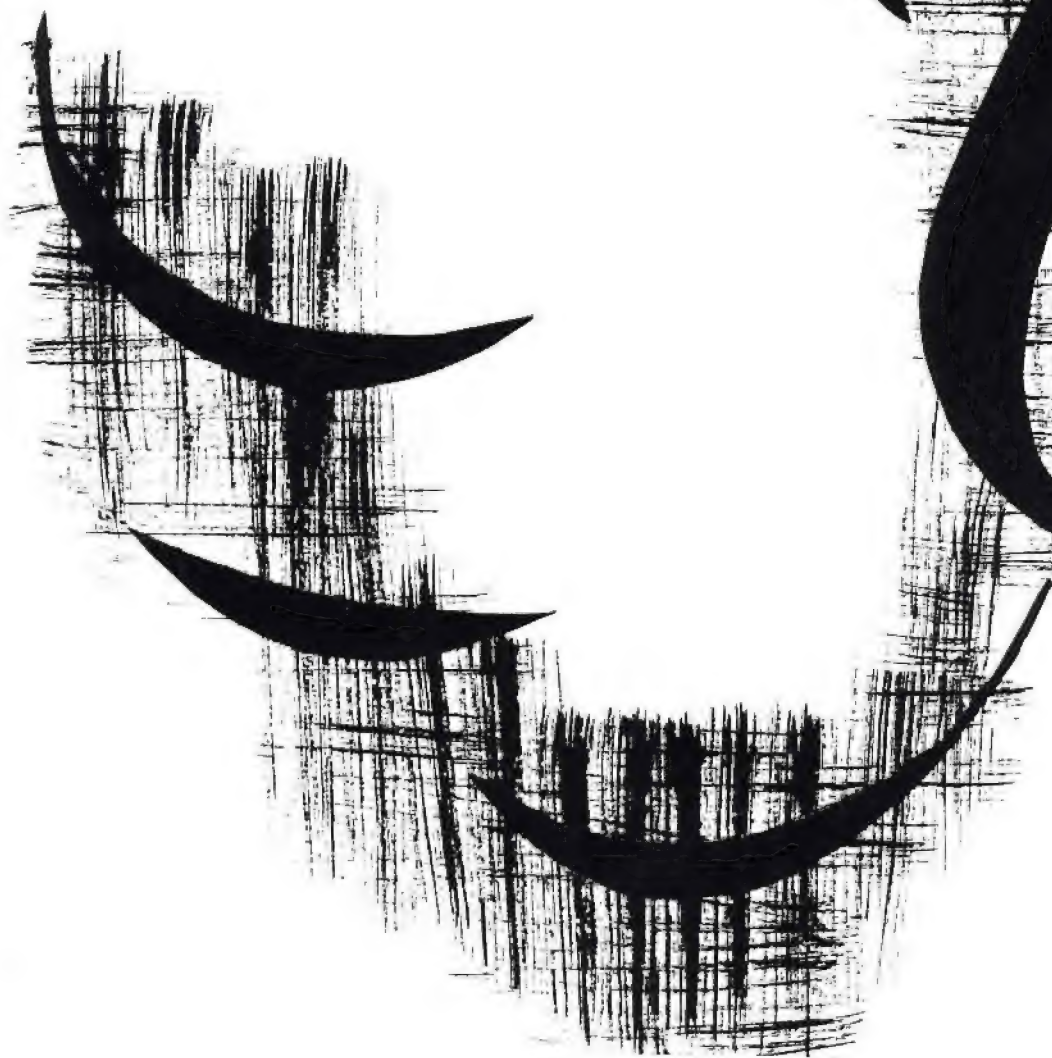

ADVISORS

We, the Class of 1961, wish to express our appreciation to Miss Naomi Kaplan, Miss Marion Pothier, and Mr. Charles Woodhams who have given so unselfishly of their time and energy to the members of our class. Miss Kaplan, our advisor during our first three years, resigned in January, 1961 after a leave of absence from September until January. She is now working for a graduate degree at Boston University.

To Mr. Woodhams and Miss Pothier our sincere appreciation for their patience, kindness, and understanding in helping us through our days at Natick High.

"Terry" . . . Physics doesn't appeal to him . . . Likes pizza . . . his interests vary from Taxidermy to Skindiving . . . "You some kind of nut or something?" . . . Terry hopes to attend Bowdoin this coming fall.

ROBERT TRIPP

"Bob" . . . "I'll buy that" . . . Brae Burn . . . Hates Bleach Blondes . . . Likes pizza and soggy pancakes . . . Sports enthusiast . . . Owns a hot Studebaker . . . Hopes to clear 6'2" in the high jump . . . Bob hopes to attend Colby this fall.

CATHERINE TROY

Hopes to be an actress . . . studies modern dance . . . is interested in certain Senior boy . . . pleasant . . . friendly . . . always ready to lend a helping hand . . . always has a smile . . . easy going . . . "Still waters run deep" . . . beguiles the boys . . . envious posture . . . always on the go . . . an interesting person to know.

RICHARD B. TRUE

"Dick" . . . the big B (for Buick) . . . "Boo" . . . enjoys Modern Problems . . . great third base man . . . Mr. Leighton's pet (?) . . . colorful socks . . . loves to sail . . . fast motor boat . . . one of the "Hartford Street boys" . . . talented with a trombone . . . a good student . . . never a harsh word . . . where did that '50 Olds convertible come from? . . . has an affinity for numbers.

DAVID TUPPER

Great person to know . . . Mr. Carroll's Modern Problems class . . . can't wait to get out of school . . . serious (?) . . . likes to have a good time . . . quiet in school . . . "Going to Hyannis?" . . . "Tup" . . . easy to get along with . . . Good luck.

KEVIN W. TRUNDY

"Kev" . . . interested in cars and HEAPS . . . multi-colored charriot . . . "I can't do it" . . . made it up the rope — at last! . . . enjoyed Miss Crawley's "honors chemistry", (in fact, talented in all forms of science!) . . . great times in S-210 . . . good man to know when you want an alley at Sellew's.

LINDAMARIE TRYNDOTA

"Lynn" . . . flirtatious . . . shining personality . . . undecided about future, but plans to attend the Cambridge School of Radio and Television . . . first lunch, table crowded with boys . . . sports fan . . . works at Babson Reports . . . "Ta heck with you".

SANDRA UFFORD

"Uffy" . . . "Sandi" . . . various interest in New Mexico and Northeastern . . . wants to be a kindergarten teacher . . . "Gee Wiz" . . . always happy and accommodating . . . blonde hair! . . . likes blue for a color . . . Perry Normal . . . size 3½ shoe!!! . . . smallest feet in town . . . absolutely steak! . . . George Rodgers Clark . . . Safety Patroller . . . camping at Cedar Hill.

KATHERINE VAHEY

A smile, a grin, a laugh, a roar . . .
Here's Kathy . . . A mischievous miss
. . . Teacher's pest . . . Hilarious imitations . . . famous for her jokes, quips, and hearty laughter . . . "Who? Me?" . . . "Strictly!" . . . Always has a look of innocence . . . Everybody's friend . . . humorous of speech, gracious of heart . . . Very well liked by all . . . is sure to be successful.

PAUL VAN TASSEL

Paul . . . Conscientious student . . .
Quiet, except in Physics Integrated . . .
Interests in Framingham . . . West Natick . . . Plans to enter Northeastern . . .
Enjoys a good time . . . An honor to have as a friend.

NANCY WALKER

Pretty blonde . . . Richard Henry Lee . . .
Revolutionist . . . deep interest in Newton . . . Looks innocent in pink . . .
Likes jokes . . . Sweatshirts(?) . . . Wonderful, sincere friend to all . . . Lively sense of Humor . . . one of the top "17" . . .
"Boston Tea Party" . . . "I'm not going home first!" . . . Baby blue . . .
"Where's the mouse?" . . . Oh-he-say-arka-po- . . . Good luck after graduation, Nancy.

GAIL WADDINGTON

Hails from North Natick . . . Pretty blonde hair . . . Short and serious . . .
Can't wait 'til graduation . . . quiet . . .
A great friend to have . . . Neat dresser . . . Modern Problems . . . Often seen in the Science building . . . "I forgot!" . . .
Hates oral talks . . . The best of luck, Gail.

JOANNE VICTOR

Jo . . . Blond hair . . . Beautiful clothes . . .
Seen in a 1960 Chevrolet convertible . . . One of "The Nine Lives" . . .
Has many friends . . . Plans to go to B. U. . . Nantasket bound every summer . . . Only 4th year French Student at Natick High . . . "Sixteen any good" . . .
"I beg to differ with you" . . . Cats eyes . . . Has a vivacious personality . . .
Loyal to Natick in her debates with out-of-towner's.

ANN WALSH

"Annie" . . . North Adams . . . "He's one of our boys" . . . "See ya!" . . .
"Oh, this I. R. project!" . . . "Shall I have my hair cut?" . . . tobagganing . . .
Digs Shakespeare the most . . . Our little light and bright girl . . . "Hold the wire, I'll go ask my father to explain the math!" . . . One of the summer cyclists.

JAMES WALSH

"Jay" . . . loves cars . . . owns a "55" Chev . . . enjoys hockey and golf . . . can be found working at the Star Market . . . favorite food is steak . . . good sense of humor . . . lively . . . loves a good time . . . Jay hopes to attend The East Coast Aero. Technical School.

FRED WARD

A wolf in sheep's clothing . . . Ivy League . . . blue and white Olds . . . prodigious personality . . . a never ending supply of life-savers . . . "All in good humor" . . . a quick wit . . . where the girls are . . . 1, 2, 3, 4 lunch . . . Sellev's . . . Math Whiz . . . an easy-going manner . . . Future success guaranteed.

DONALD WARNER

"Don" . . . tall and dark . . . hails from West Natick . . . familiar with the West (especially California) . . . curly hair . . . faithful cafeteria marshal . . . likes baseball (and can play it, too!) . . . "This young lad in the dark red sweater please come up here and bring me that suitcase" . . . Best of luck in the future.

KAREL WEISSBERG

"Kitty" . . . "Woo Woo Weissberg" . . . owns a famous Irish Water Spaniel . . . "Pogo" . . . Sane Rally Enthusiast . . . cultivated jazz interests at Club Mount Auburn 47? . . . liberally speaking, Kitty is a real individual . . . linked with a certain luscious rust-colored mohair sweater . . . sailing at Martha's Vineyard . . . "Harvard Men!" . . . bound for Success . . . Radcliffe?

BEVERLY WENTWORTH

"Bevie" . . . Sharon, Mass. . . "Well, I don't know" . . . slumber(?) parties . . . one of the top "17" . . . nursery rhymes . . . "I'm not sure" . . . never a dull moment . . . Italian Food . . . Hot Fudge Sundae . . . popular with everyone . . . neat and sweet . . . a faithful friend . . . a good business student . . . Foot Ball Season is here again!? . . .

LOUIS WESTCOTT

"Lou" . . . can always be found at the Co-op . . . likes old records . . . likes all sports, especially golf . . . "What's the story here" . . . quiet . . . likes Italian Food . . . girls . . . "Remember the good old times" . . . Union House . . . will he get his license . . . "Lou Munsbert" . . . witty . . . always a smile . . . hopes to go to Burdette or B.U. . . . Best of luck in future.

PAUL WHELAN

"Thersa" . . . "Quiwalesau" . . . West Natick . . . the precious beetle, complete with yellow rims . . . replaced by a long black sedan (with five doors) . . . likes electronics . . . popular in Wayland, also . . . plans undecided (possibly the service) . . . girl troubles . . . "What, me worry?"

RICHARD WHITE

"42" . . . "Whitey" . . . Stop & Shop . . . big Cadillac . . . Louis . . . S-267 . . . busy worker . . . end of assembly line . . . friendly . . . girls, girls, girls . . . frequent trips to the bank . . . likes a gay time . . . never a dull moment . . . plans to be a designer.

ROBERT WICKLUND

"Good things come in small packages." . . . tries to please . . . his antics and jokes have been enjoyed by many . . . usually found skating on Fiske Pond or Coolidge Rink during winter months . . . bound for smooth sailing in the future.

DAVID WINNER

Dave . . . hopes to enter Wentworth . . . likes home-made apple pie . . . Track star . . . Senior interest . . . enjoys water skiing . . . the Armory, home away from home . . . helpful to teammates . . . "a great guy".

PAUL WITHROW

"Withie" . . . football fan . . . Sophomore interest . . . (at Wellesley) . . . dislikes grouchy people . . . likes fried clams . . . plans to enter armed forces after graduation . . . '53 Chevy . . . takes life easy.

GARY WITTEN

"Bite" . . . Charles Atlas, Jr. . . . All-scholastic tackle . . . wild pants . . . a certain cheerleader . . . wheat-germ oil Eddie . . . famous New Year's party . . . embarrassed easily . . . green Olds . . . "Who did that?" . . . I. R. . . . hard worker . . . master of self-discipline . . . success is certain.

DAVID WOOD

"Dave" . . . host of knick names . . .
 "Woodie Dumas" . . . "Camel" . . .
 "Fudd" . . . Great chess player? . . . ex
 Iowa corn farmer . . . well traveled . . .
 Iowa, Wisconsin, and Washington,
 D C. . . earth shaking laugh (bellow)?
 . . . "Food" . . . good student . . . plans
 to attend University of Mass. . . "I'm
 hungry" . . . sincere . . . Best wisher,
 Dave.

STEVEN WOOD

"Woodie" . . . hot sax . . . likes steak
 and french fries . . . doesn't mix too
 well with Spanish . . . interests in Way-
 land . . . a real jazz fan . . . can be found
 at the Oak Street Pharmacy . . . Steve
 plans to attend Lowell State Teachers
 College of Music.

WAYNE WOOLEY

Henry . . . loves Spanish!! . . . lasagna
 . . . U. of Mass. . . . Bolshevick . . .
 the crowd and kids at B.U. . . . drives
 a lovely, new, green car!!! . . . De Molay
 . . . wants to be a teacher of history . . .
 a neat dresser with lots of clothes . . .
 good dancer . . . serious . . . works with
 all the shoe horns at Thom McAn's . . .
 Aqua Velva or Old Spice man . . . which
 one???

SUSAN WYMAN

"Sue" . . . "John Stark" . . . A & P
 . . . loves all kinds of sports . . . really
 digs Elvis . . . "m-m-m-m, strawberry
 shortcake" . . . plans to be a secretary
 . . . shorthand is better than any of her
 other subjects . . . certain interest in
 Wayland . . . hardly ever says a word
 . . . one of the "Top 17" . . . bound for
 success.

ANTOINETTE ZACCAGNINI

"Zac" . . . very sincere person . . . huge
 appetite, but OH! that thin figure!! . . .
 old faithful Plymouth on its last lap
 . . . the jungle?? . . . that sudden trip
 across the tracks?? . . . 18 free school
 days . . . interest in another town.

DENNIS ZICKO

"Zeke" . . . hurdles, high jump, pole
 vault: convert from basketball and base-
 ball . . . hopes to become a teacher
 . . . ambition: pole vault 11'6" . . .
 likes Boston cream pie . . . a true friend
 in time of need (to John) . . . black
 and yellow Studebaker . . . one of the
 few people who got anything (except a
 laugh) out of E period physics . . . great
 personality . . . sure to succeed in his
 chosen career.

NANCY ZICKO

Nothing is impossible for a willing heart . . . freckles . . . Did you say never gets a tan? . . . where's Ingrid . . . summers spent down the Cape . . . one of the Champs.

RICHARD ZONGHI

Small in stature, but large in spirit . . . has beautiful taste in cars . . . loves fishing and hunting . . . possesses great artistic ability '56 Ford . . . makes very witty remarks . . . plans to enter the Army after graduating.

ALAN DOGGART

"Al" . . . came to us from Chelmsford . . . works at Eber's Pharmacy . . . South Natick . . . "Parlez-vous Français?" . . . good at math . . . glad to have him as a member of our class.

THACHER FISK

Heath . . . returned to N.H.S. after a year at Mt. Hermon . . . *really* curly hair . . . "Heathcliff" . . . Walnut Hill . . . a good student . . . Sure to succeed.

ANTHONY VENTURA

Tony . . . a welcome addition to the class of 1961 . . . It's a shame he didn't arrive sooner . . . a friend to know and keep . . . Good luck, Tony.

THE SCIENCE FAIR

The Ninth Annual Science Fair, sponsored by the Rotary Club of Natick, was held on March 15 and 16, 1961. There were over two hundred exhibitors in the fair. The grand prize winner was Robert Anstey with his exhibit of Carbon 14 Dating of Pleistocene. The other winners are as follows;

PHYSICS

- 1st Prize: Robert Anstey — Carbon 14 Dating of Pleistocene
- 2nd Prize: Sherrie Jansen — Electrostatic Printing
- 3rd Prize: James Mannos — Digital Computer

ADVANCE BIOLOGY

- 1st Prize: Neil Tompkins — Effect of Sound of Algae
- 2nd Prize: Florence Moore — Heat Resistance of Bacterial Spores
- 3rd Prize: Penelope Cole — Psychology of Learning

CHEMISTRY

- 1st Prize: George Davis — Research in Crystal Nuclei
- 2nd Prize: Karen Nelson — Porosity in Self-curing of Methylmethacrylate
- 2nd Prize: Harvey Cohen — Formaldehyde Plastics
- 3rd Prize: Pamela Brady — Cellulase Inhibition; Rolph Franz — Electroconductivity

BIOLOGY

- 1st Prize: Thomas L. Meyers — Food Preservation by Radiation
- 2nd Prize: Roger True — Will Plants Grow in Artificial Light
- 2nd Prize: Nancy Slauta — Chromatography
- 3rd Prize: Barry Penswick — Can Man Survive in Space
- 3rd Prize: Gregory Waters — Bacteria Around us

Athletics

FOOT

After defeating Belmont and rival Melrose at the jamboree, held in Natick, the 1960 Football Team, led by Captain Joe Kiley, showed promise of becoming another great Natick team by routing Walpole 34-6. But then the first of many misfortunes occurred as everyone was informed that the game must be forfeited because an ineligible player was used. With spirits at a low ebb, the team held Wellesley 14-0, but snapped back the following week — setting a state record by coming from behind four times to defeat Northeast Conference Champs, Woburn 28-26. This was a game in which the team showed their capabilities and undying determination.

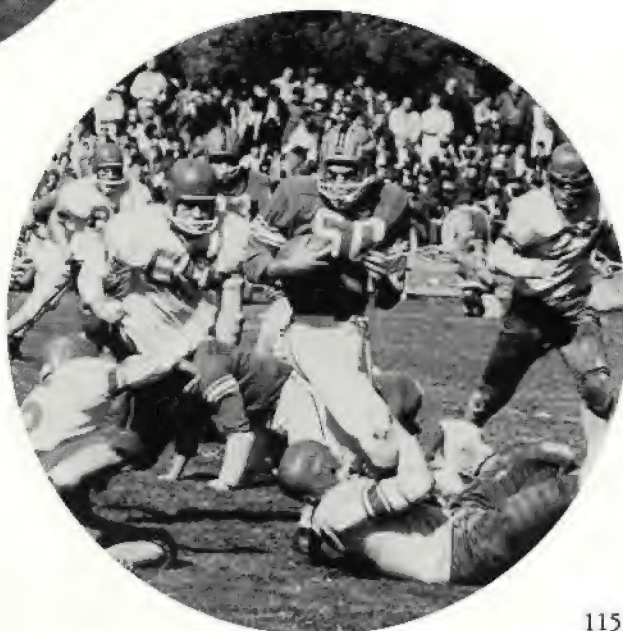

In the next game the Raiders were startled by a last-minute pass as Dedham tied 22 all, but once again they came back, romping over Milton 40-12. Against Needham, the team continued to display their tremendous heart as they came from behind twice and failed by 2 yards and 2 seconds from doing it again as Needham beat the clock, 26-20.

BALL

The team then made quick work of Braintree 40-12 and walloped Norwood 44-22 but the latter victory was costly with Jones and Bracken sustaining restraining injuries. Journeying to Framingham, the squad was dealt its hardest blow of all as a star player was ejected for fighting on a controversial call and Framingham went on to win 26-18, for the first time in many years. And so ended the strange season of a courageous team that came from behind, altogether, eight times and deservingly earned the title of "the team that never knew the meaning of defeat."

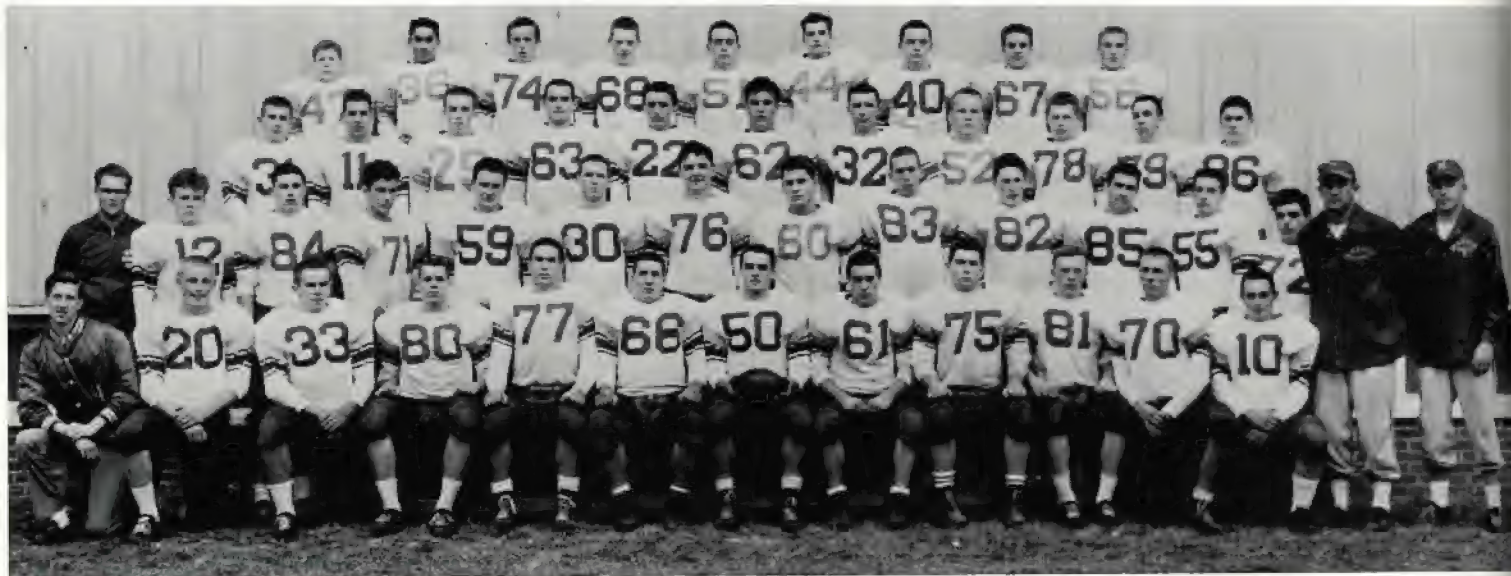

Walt Hriniak and Gary Witten were chosen all-scholastic to individually honor the team and Ted Bracken was the league's high scorer, while Art Hall became the highest scoring end in Natick's glorious history. Dunc Jones certainly must have set a record in pass interceptions. Captain Kiley, Pessini, Kavanagh, Winner and all the other members of the 1960 Varsity have brought honor and respect to themselves and to the school, while setting a precedent for future teams to follow and emulate.

VARSITY TEAM

Front Row: Oldfield, Hriniak, Bracken, Hall, Witten, Jones, Kiley, Grady, Kavanagh, Mullaney, King, Pessini. Second Row: Kane, Hines, Shea, Leccacorvi, Bent, Prior, Leach, Cutaia, Prior, Hughes, Dunbar, Peterson, Torti, Coach Bennett, Coach Whelan.

Third Row: Adams, Peters, Cox, Mussen, Kadlik, Faldetta, Thorsen, Wood, Brant, Morgan, Powers. Back Row: Munro, Rinehart, Morgan, Maxwell, Hale, Dunn, Winner, Berone, Romsey.

First Row: J. Kadlik, N. Zicko, J. Ross, J. Wilson, D. Pineo. Second Row: P. Hersey, L. Theroux, S. Ghatti, C. Dunstan, D. Armitage.

CHEERLEADERS

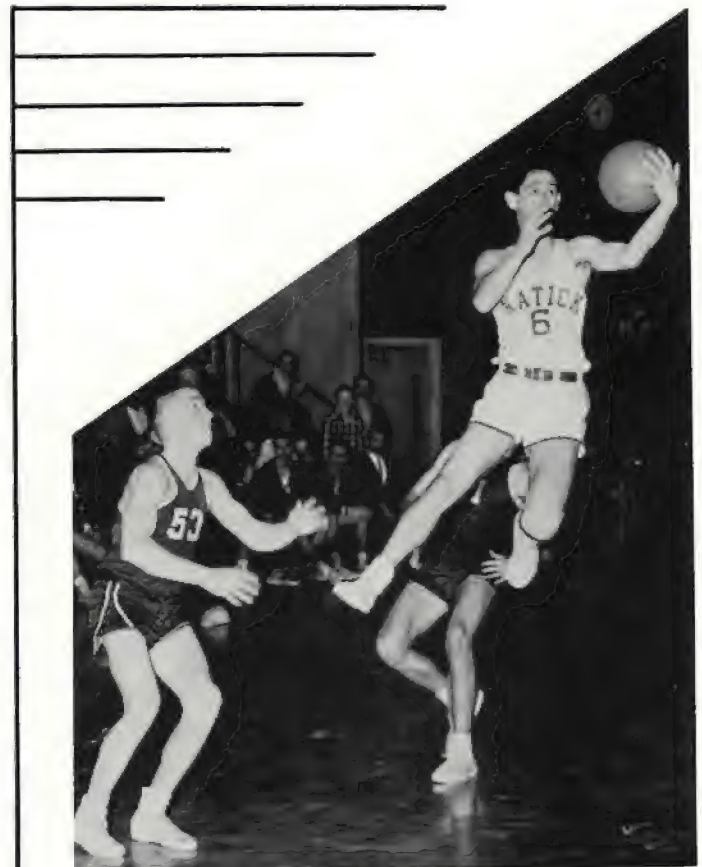

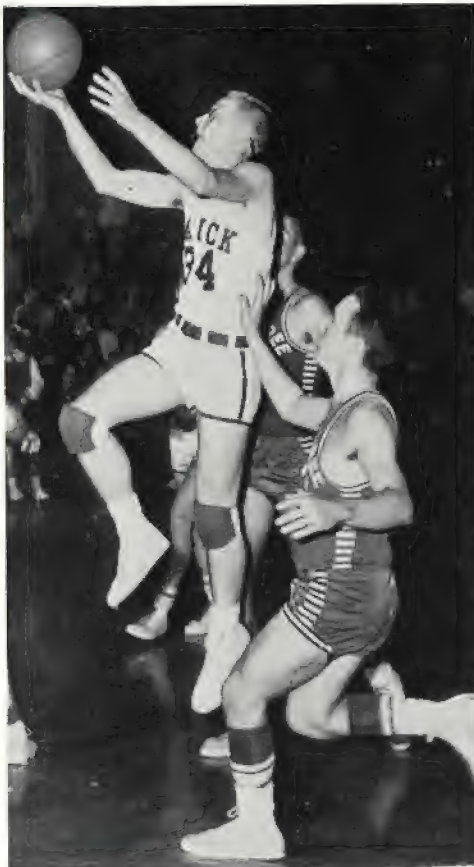

The 1960-1961 Cheering Squad, practicing long and diligently, earned the coveted Bay State League Championship. In May of 1960, they began working on the cheers that made them the best and most popular Squad in Natick's long history of fine cheerleaders. The group, which included Sandy Ghatti, Lynn Theroux, Cheryl Dunston, Patti Hersey, Diane Armitage, Donna Pineo, Nancy Zicko, Jane Kadlik, Janice Wilson, and their energetic and competent Captain — Janet Ross, had the wonderful ability to transmit their enthusiasm and spirit to the spectators and, more importantly, to the boys themselves. They re-established the famous Natick Spirit! The girls did a tremendous job bringing encouragement to the members of the athletic teams and honor to themselves and their school.

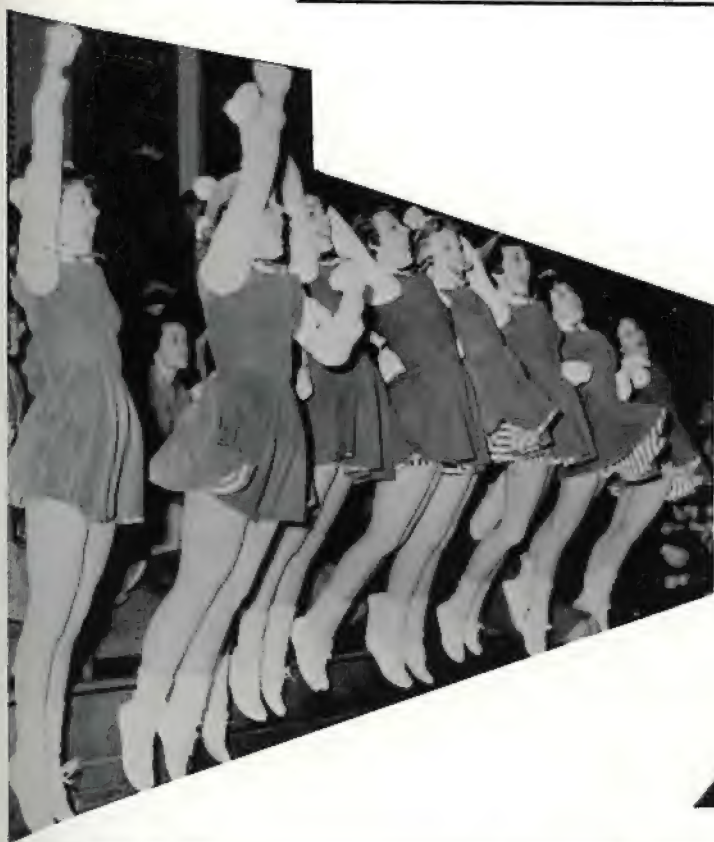

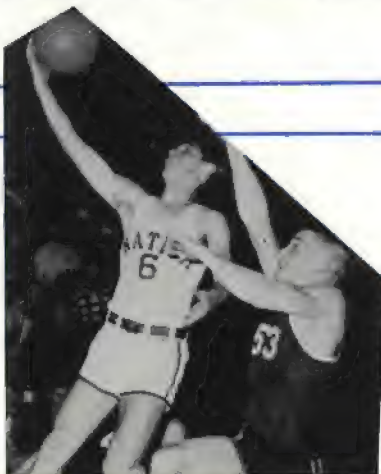

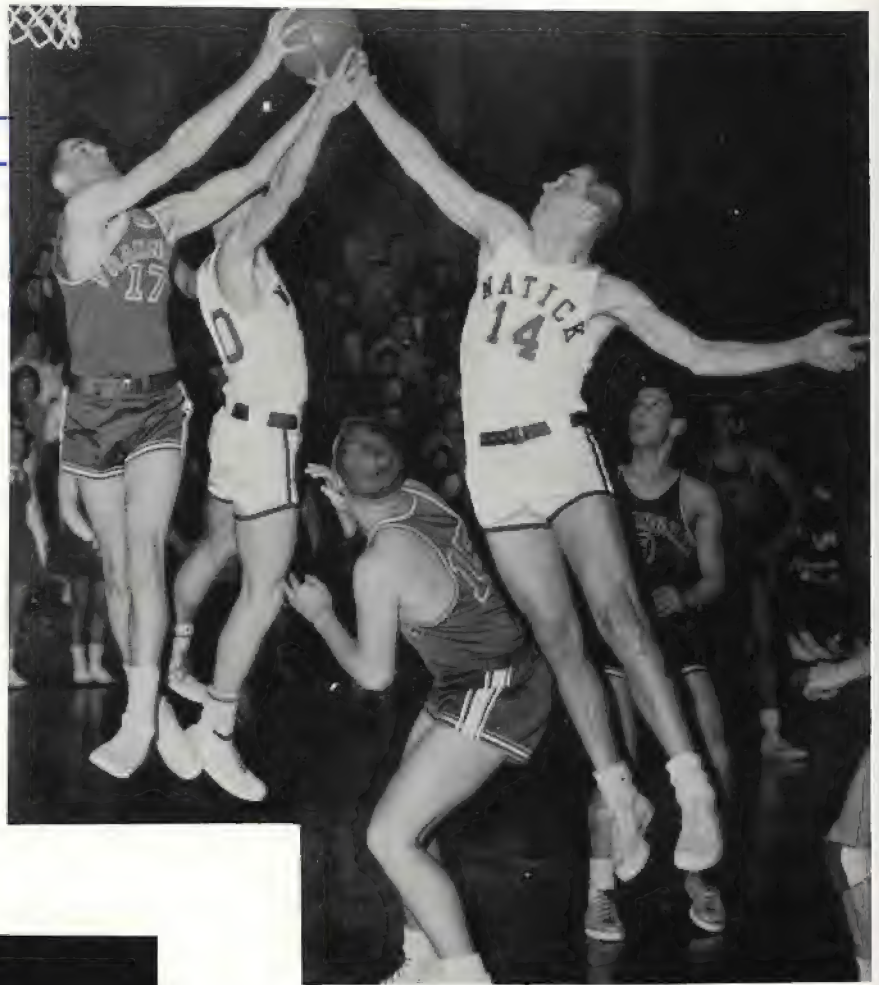

BASKETBALL

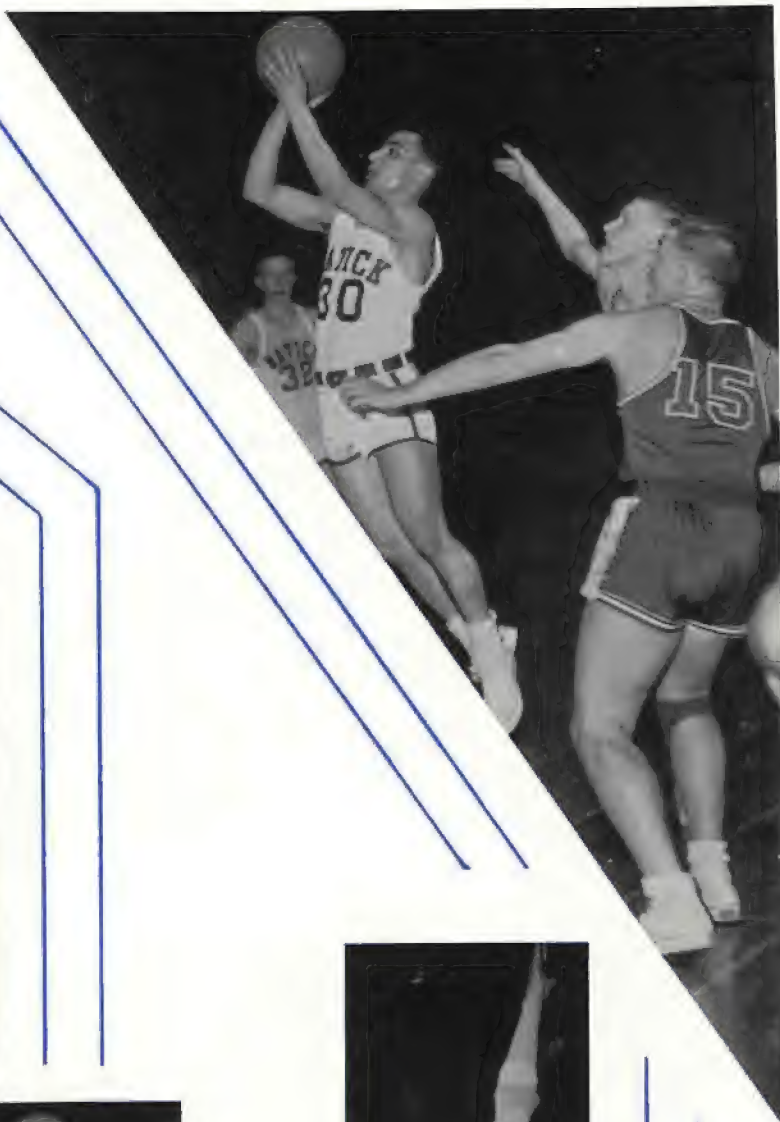

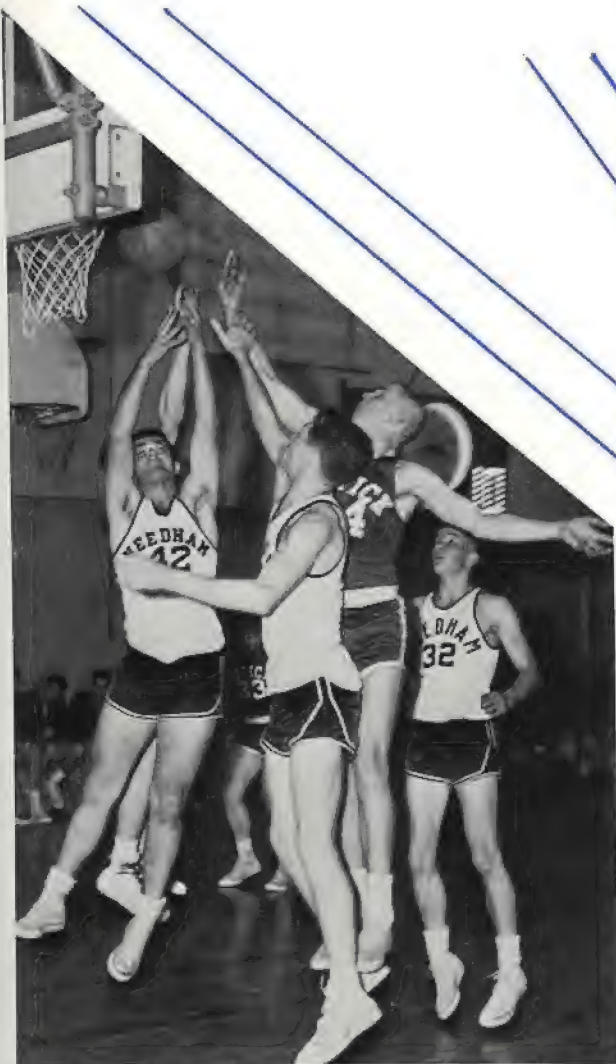

The 1960-61 basketball squad was chosen by the experts to finish no better than seventh place in the Bay State League. Although the team lacked height, which is a decided advantage in basketball, they ended the season in a tie for fourth place with a strong Walpole club. The boys made up for their lack of height by hustle and a real desire to win. The team suffered many heartbreaking defeats during the season, losing to arch rival Framingham by two points in a sudden death overtime, and losing to Braintree by two points in a single overtime. The players produced a record of 9-7, which is equivalent to .536 percentage wise. The team missed the Tech Tourney by only two games. At the conclusion of the regular season, Coach Carey entered a squad of fifteen boys in the Bay State Tourney. The boys played two games, both at Framingham Junior High School. They defeated a strong Taunton club to reach the quarter-finals, only to lose a final heartbreaker to Coyle by one point. The squad was co-captained by Stu James and Lou Kern, who also represented Natick on the boards, in addition to their scoring punch. Stu James, top scorer for Natick, hit well from the key all season, and Jimmy Cox and Lou Kern hit well from the corners. Wally Bell and John Themeli looked impressive with their accurate set shots, while Herman Beranyk, Joe Leone, and Larry Doherty added depth with their jump shots from the side. The team was ably managed by Ralph Nettleton and Richard Brandt.

Front Row: Kern, Prior, James, Cox, Prior, Bell.
 Second Row: Brant, Doherty, Themeli, Shea, Pipe, Leone, Johnson.
 Third Row: Beranyk, Leach, Adleman, Nettleton.

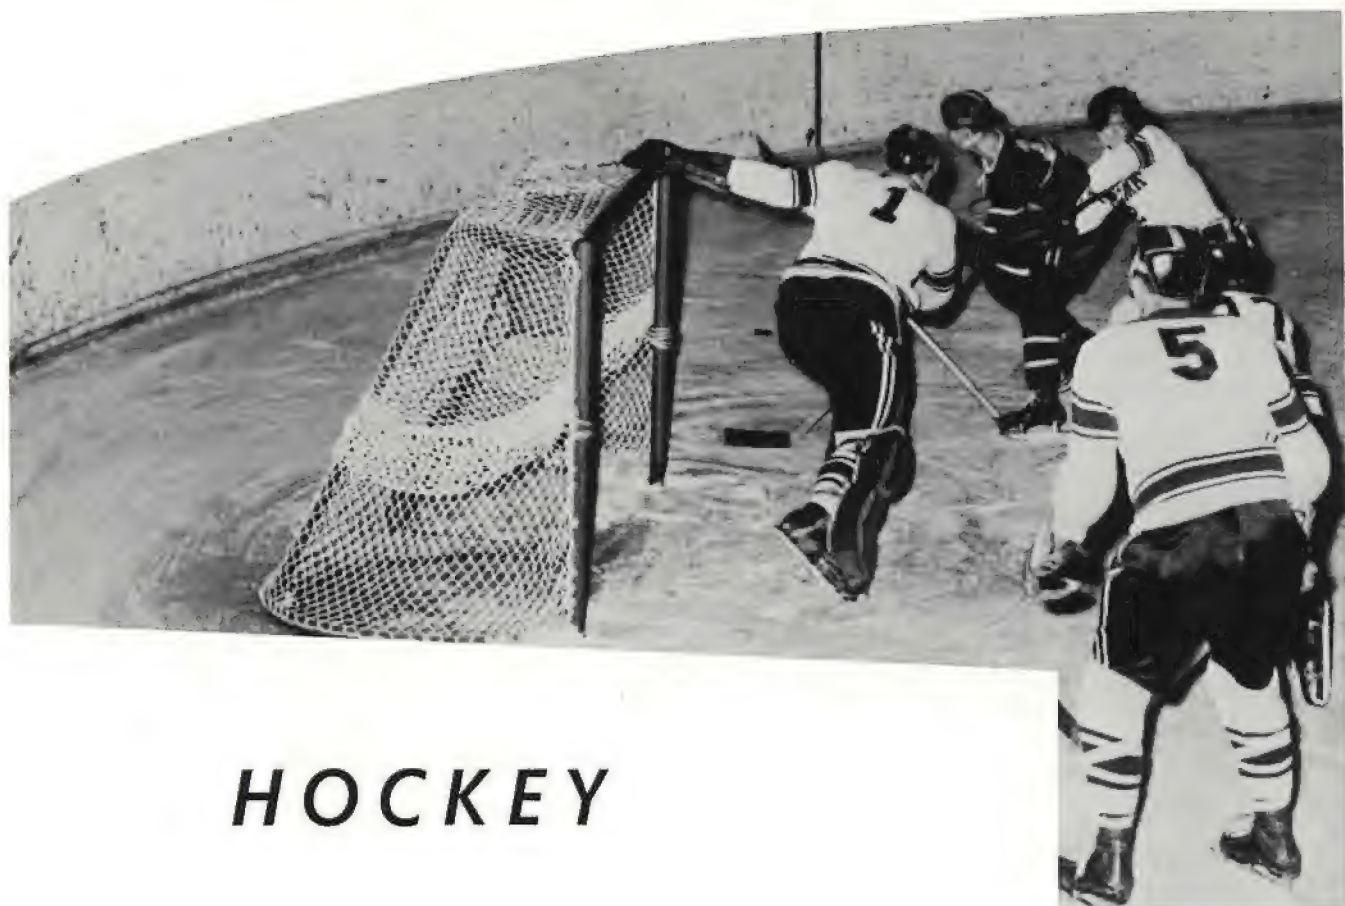

"N" CLUB NIGHT

HOCKEY

Our Bay State League hockey team, finishing fourth in the standings, enjoyed its most successful season yet, with nine wins and five losses. This position, however, is not indicative of the true calibre of the team, since the Bay State League was generally regarded as the most powerful circuit in Massachusetts. All of Natick's losses were at the hands of the top teams in the league, and most could have gone either way.

Natick's Butch Hriniak was without a doubt the outstanding player in the league. In the Dedham game, Butch performed a feat never before seen in schoolboy hockey by scoring six goals. He won the league scoring title and was voted the most valuable player. Both Butch and our fine forward, Tony Pessini, were selected for the Bay State League all-star team.

Next year's captain, Gary Omeroso, should have a fine squad with returning lettermen Pete Hurd, Cliff Cutaia, Justin Hughes, Frank Capizzo, Cliff Gibson, and Al Calzini. Next year's team will have a new coach in Mr. Frank Marcoux, since this was well-liked Coach Robert Bell's last year.

Front Row: Gibson, True, Pessini, Hall, Kiley, McDonald, Stewart, Lacouture. Second Row: Calzini, Persutti, True, Omerso, Cotter, Carr, Hines, Hurd, Capizzo. Third Row: Gunrud, Hughes, Cutaia, Fitzgerald, Reagan.

TRACK

CROSS-COUNTRY TRACK

Under Coach Al Collins, the Natick High Cross-country team experienced one of its most successful seasons, finishing second in Bay State League competition. One reason for this success may be attributed to the large turnout of candidates for cross-country, which is rapidly growing in popularity all over the United States.

After a heartbreaking defeat in the first meet at the hands of a strong Needham Club on the home course, Natick rallied to win the final seven games, which included an awe-inspiring victory over the rival Framingham Flyers.

In the Bay State League Meet at Needham, Natick finished second, topped again by Needham. Both clubs placed four runners in the first ten. Unfortunately the Junior Varsity who had an undefeated season were unable to run due to transportation difficulties.

Coach Collins' predictions of a Natick victory over Needham were finally brought to maturity in the State Meet at White Stadium at the conclusion of the season and the cross-country team was the winningest fall sports team at Natick High.

Front Row: Salvin, Cunningham, Frazee, Read, Santamaria, Cunningham, Godden, Holbrook. Second Row: Mr. Collins, Hess,

Macomber, Lacouture, Tripp, DeMatteo, Martin, Cirrone, Adams. Third Row: Kobel, Whipp, Morrill, Stewart, Zicko, Cote.

INDOOR TRACK

Front Row: Calebro, Henderson, Connelly, Petrie, Cudmore, Craig, Cote, Finchbaum. Second Row: Adams, Read, Santamaria, Frazee, Winner, Captain, Carroll, Gray, Salvin, Zicko. Third Row: Mr. Welch, Oettinger, Bloomstein, Witten, Coan, Donovan, Mulley,

Tripp, Johnson, Sheasgreen, Bracken, Sallinger, Godden, Coach Whelan. Fourth Row: Whipp, Bartlett, Crisafulli, Lauro, Parris, Griffin, Mussen, Batten, Cunningham, Butchman, Peoples.

Natick High's 1961 Indoor Track Team was led to a record of four wins against a single defeat and a close second place finish in the powerful Met League by Captain David Winner and State Champion shot-putter Gary Witten. Although beset by injuries to key men at an inopportune time, the Red and Blue standard bearers were able to place second to Belmont in the State Meet Class B competition.

Jim Santamaria and Gary Witten went undefeated in dual meet competition; Jim in the mile and 1000 yd. run and Gary in the shot put.

Other valuable performers were John Frazee in the 1000, Pete Read in the 600, Ken Gray in the 300, Norman

Bloomstein in the shot, Bob Carroll in the 50 yd. dash, and Ed Donovan, Bob Tripp, and Dennis Zicko in the high jump and the 45 yd. hurdles. Also competing for N. H. S. were Bob Johnson, John Sheasgreen, Bill Coan, Don Mulley, and Richard Adams.

In the final meet of the year, Gary Witten heaved the iron ball 54 feet 8 inches to break the Division II record held by another Natickire, Mel Bloomstein.

At the close of the year, Eric Mussen was elected captain for the 1962 season. He will be joined by many promising sophomores to form another strong Natick High Team.

OUTDOOR TRACK

First Row: Read, Tripp, Santamaria, Bloomstein, Witten, Bracken, Carroll, Gray, Zicko, Mulley. Second Row: Coach Whelan, Johnson, Foss, Kavanaugh, Szeretta, Pryor, Cunningham, Kiley, Adams, Bonnic, Murphy, Henderson, Coach Bennett. Third Row: Chervinsky, Hadden, Gallant, Solomon, Stuart, Wincoop, Donovan,

Wooley, Peterson, Morgan, Crisafuli, Robinson. Fourth Row: Mussen, Lauro, Torti, Petrie, Malcolm, Morgan, Barrett, Jue, Paris. Fifth Row: Burges, O'Leary, Godden, Cunningham, Stonemetz, Gurney, Shea, King, Waters, Peoples, Hines, Linnchan, Obaldino, Mathes, Stewart.

This year's track team, co-captained by Ted Bracken, and Gary Witten, swept the Bay State League with an untied, undefeated season, winning twenty-two consecutive meets. Special credit and thanks must be given to Coaches Bob Whelan and Dan Bennett for their part in making the 1961 track season such a great success.

The senior members of the team played very important parts in this magnificent team effort. Ted Bracken placed first in many Bay State League competitions, and fifth in the state meet. Ken Gray won his first four races, but was plagued by a leg injury for the rest of the season. Pete Read was a consistent point-winner, as was Ken King in the 880. Bob Carroll was the most improved runner doing a tremendous job in the 220, and Jim Santamaria was the best distance runner.

In the field events, Gary Witten set a new Natick High shot put record, placing first in the state meet, and third in the New England meet. Norm Bloomstein, another great shot-putter, placed third in the state meet, while Denny Zicko, one of the best pole-vaulters in the Bay State League, was tied for third place. Ron Kadlik set a new Natick High record with the javelin, and Don Mulley and Ed Kavanagh won many needed points in the same event. In the discus Joe Kiley came through with many first places. Bob Tripp was Natick's high scorer, and one of the best high jumpers in the league. Dave Malcolm also did a fine job in this event. Manager Jeff Salvin was always there when needed, and did a wonderful job.

Next Year's team under the leadership of co-captains Dick Leach and Ralph Pryor should have a most successful season with a strong team to work with.

First Row: Morris, Hunter, Jones, Nelson, Hriniak, Warner, Cox, Omerso, Deeley. Second Row: Johnson, Peters, Goodkin, Lacouture, Hughes, Prior, Beranyk, Griffiss, Bleakney, Mr. Carroll.

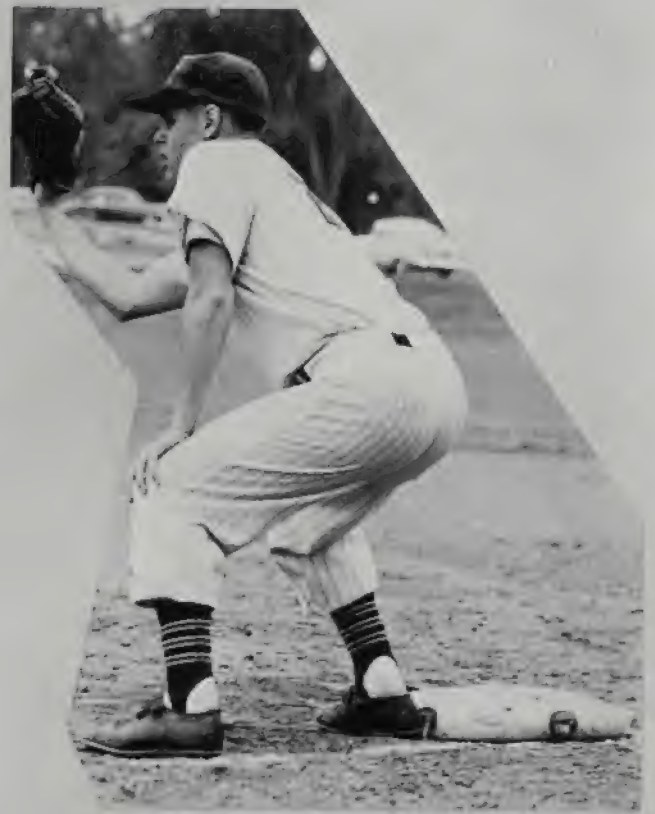

BASEBALL

This year's varsity baseball team, captained by Walter "Butch" Hriniak and coached by John Carroll, was a young squad with only three seniors in the lineup and pre-season speculation predicted a gloomy season. After a slow start, the boys surprised everyone but themselves by keeping abreast with the leaders, Wellesley and Framingham, throughout the entire season. Then they defeated both these teams in two of the most exciting games of the year; certainly the victory over Framingham was the most satisfying sports victory this year. Unfortunately, the team was overtaken in the latter part of the season and finished a game

from first place in the second spot, which is quite a tribute to Coach Carroll and the entire team.

Walt Hriniak at shortstop was a fine leader, and aside from being chosen the most valuable player on the team, he was chosen the outstanding baseball player in Massachusetts. Duncan Jones in left field and Herman Beranyk pitching were the two other regular seniors. Underclassmen, Lacouture, Omerso, Pryor, Hunter, Griffiss, Bleakney, Goodkin, and others contributed much to this year's success and should do very well next year as well.

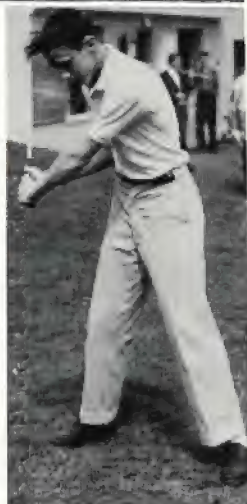

TENNIS

First Row: Macomber, Barone, Sharkey, Mannos. Second Row: Coach Stehlin, Cohen, Harris, Greenquist, Cotter, Hess.

GOLF

First Row: Walker, Pipe, Coach Vaughn.
Second Row: Kosowski, Heffron, Martin, Warren.

GYM CLUB ASSEMBLY

FIELD HOCKEY

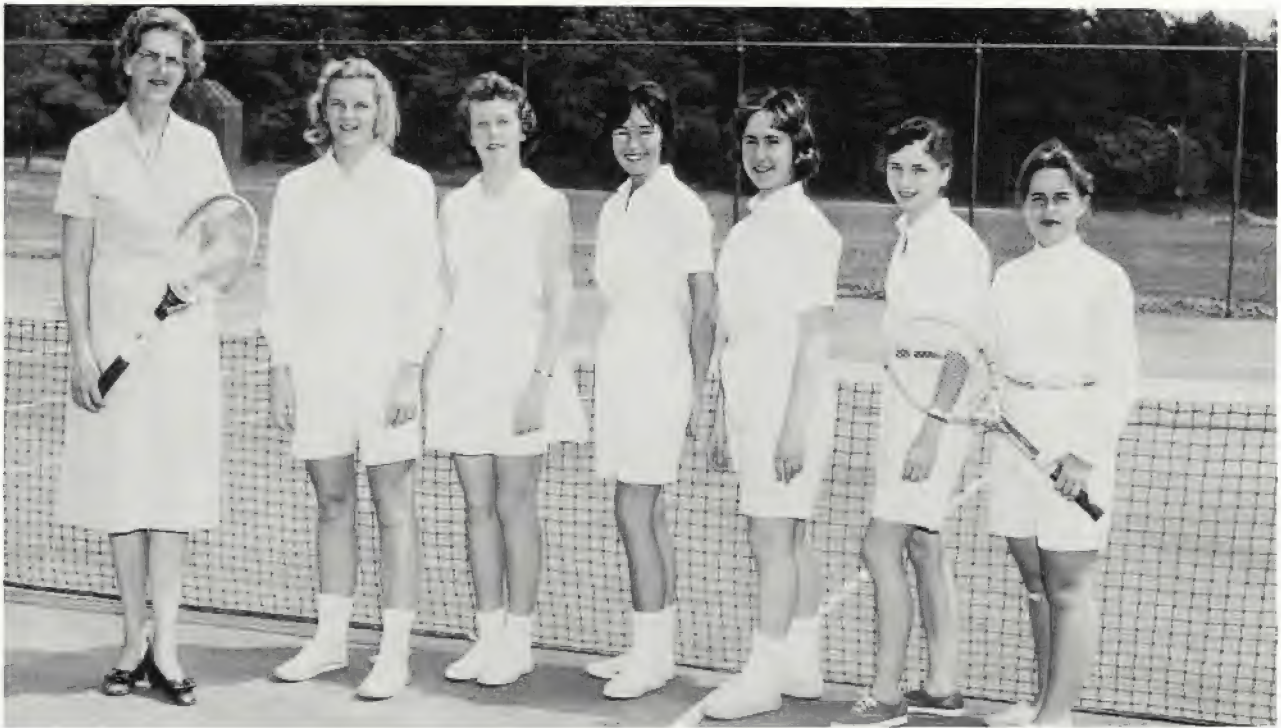

Front Row: Miller, Marinelli, Sallinger, Millett, Dunbar, Merten. Second Row: Miss McFayden, Hawkes, Weissberg, Walsh, Cole, David, Miss Tillson.

BASKETBALL

First Row: Mahoney, Marlatt, Merten, Budnick, Hermon. Second Row: Antalek, Manager, Hasgill, Maffei, Wilberger, Matson, Miller, Miss Vasile.

TENNIS

First Row: Miss Tillson, Merten, Miller, Branagan, Budnik, David, Grass.

SOFTBALL

First Row: Pickering, Pagano, Matson, Hermon, Maffei. Second Row: Miss Vasile, Wadley, Flynn, O'Callahan, Moynihan, McKenzie.

89

First Row: S. James, T. Bracken, W. Hriniak. Second Row: A. Pessini, G. Witten, J. Kiley, D. Jones.

ATHLETIC AWARDS

The annual winter award assembly was held on Wednesday, March 29 at which time letters and awards were presented to our athletes.

Duncan Jones was awarded the Thomas Mallery Trophy for the most valuable lineman of the 1960 Varsity. Dr. Richard Abbott of the Natick Rotary presented Ted Bracken with the Most Valuable Player Trophy, while Tony Pessini won the William Hannigan Award for the outstanding player in the Natick-Framingham game. This award was presented by Joseph Hladick on behalf of the Felchville Association.

Captain Joe Kiley received the B'nar B'rith Award presented by Mr. Sam Salvin, for outstanding sportsmanship. In basketball, Stu James won the most valuable basketball player award and Walter "Butch" Hriniak was presented the trophy establishing him as the year's outstanding hockey player. Gary Witten won the Kiwanis Club's first annual trophy for the most valuable trackman.

SCIENCE AWARDS

BUSINESS AWARDS

The Natick High School Business Department with Mr. Bayne Drowne as head awarded its outstanding students with pins. This coveted achievement was presented in type-writing, business law, business arithmetic, office machines, bookkeeping, shorthand and transcription.

Pins were also awarded to the members of the Business Service Club for their outstanding performance throughout the year.

Guest speaker for the assembly was Mr. Chester B. Kevitt from the United States Department of Labor, Bureau of Labor Statistics.

INDUSTRIAL ARTS AWARDS

The Industrial Arts Department had much to be proud of this year as many of the students received awards in the following fields: graphic arts, power mechanics, metalwork, woodwork, and drawing.

At the same time awards were also given for art, foreign languages, and the Sassamon.

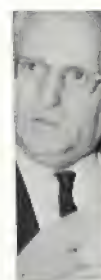

Dr. Arthur Taddeo was on hand to award the Natick Chapter of Future Nurses with a Charter Certificate.

Guest speaker for the assembly was Mr. George Di Matteo, a well-known civic leader in Natick. His excellent talk emphasized the fact that it takes the combined help of many people in different fields to make a difficult task a success.

SPRING SPORTS AWARDS

A d d r e s s

Parents, Teachers, and Friends:

The Class of 1961 takes great pleasure in welcoming you to these, our class day exercises.

As we reflect on our high-school days, we find much for which to be thankful. This outstanding building which has been provided for us is indeed a great privilege. Here we have acquired not only excellent book-learning, but have been instilled with the ideals of brotherhood and citizenship in a friendly, stimulating atmosphere.

We will most certainly profit in the future from all the knowledge and experience we have gained here at Natick High.

G r a d u a t i o n

W e l c o m e A d d r e s s

Parents, Teachers, and Friends:

It is a privilege and an honor for me to welcome you to the Commencement Day Exercises of the Class of 1961.

We seniors have reached a turning point in our lives. We are stepping out into a world marked with turbulence and challenges. The United States is confronted today with a great power working for world domination, the Soviet Union. It is vitally important that we, as the leaders of the coming years, meet this challenge with our utmost capabilities. Whether we enter the field of business, industry, or science or whether we seek higher learning, we can proceed with confidence. The people of Natick have provided us with a solid foundation for our future lives.

Thus, we graduate tonight with a feeling of pride and accomplishment, but most of all with a feeling of deep appreciation for all that you, the people of Natick, have given to us.

Class Essay

by Robert L. Anstey

Today we stand on the threshold of a new frontier of rapid advancement in both technological and non-material culture. The Americans of today, the citizens of Natick, of Massachusetts and of the whole country, are faced with challenges greater than have ever been faced before. As our President has said, a new way of life is developing for a new generation of Americans. Our personal duty as citizens of this progressive nation is to meet the many and complex obligations of the new frontier.

We must prepare ourselves in order to contribute to society rather than becoming impediments of progress. If our society is to function efficiently and meaningfully, each of us must strive for the highest possible perfection. To achieve perfection each person must know himself thoroughly. We must know our limits and our failings as well as our abilities. Conrad had said that man must show "the edge of his temper and the fiber of his stuff . . . the quality of his resistance and the secret truth of his pretences, not only to others, but also to himself." After assessing the problem, determining the gaps to be filled and the abilities to be employed, we can chart a proper course for our improvement. This is a personal obligation. Meeting the minimal standards which have been established for instruction in our schools cannot be constructed as a proper preparation to meet our obligations. We must become educated in the total sense in order to develop fully our own self-knowledge.

Today the training of scientists, like the development of any individual, depends largely upon self-perception in education. We recognize the importance of science in the development of the new frontier, yet we cannot all become scientists. Our society requires cooperation and contribution from all skills and all fields of endeavor. The duties and obligations of scientists in this new age, nevertheless, are

ones we can all emulate. Even though they work under rigid rules of procedure, scientists are not forced to blindly obey, rather they reserve the right to question and, if necessary, to rebel against unsound concepts. Extreme loyalty without understanding can easily turn into an imprisoning conformity. Complacent and self-satisfied scientists could easily ruin our new frontier by retarding essential progress.

Even though scientists must frequently question, and sometimes rebel, others may ask "To what extent should I question the established order of things?" Many individuals feel that they do not know enough about the complex organization of our society to question apparent weaknesses. The only excuse for questioning the quality of something is to improve it, not to renounce it. We must examine, investigate, and build the necessary knowledge to question the causes of our own weaknesses. Then, we can be bold enough to express our own ideas and our own feelings concerning the social forces affecting our lives. Bolstered by the knowledge we acquire we can dare to excel.

The purpose of this cursory examination is not to list current social weaknesses, but rather to suggest a solution. Blind conformity, as represented in our society by the grey-flannel business suit, cliques, political arch-conservatives, brownstone houses, as well as severely antiquated rules of conduct and dress, has become a detriment to our current way of life. Those who follow a creed without reason or understanding show the depth of their ignorance. The practice of rigid etiquette and affected airs, on the other hand, shows the degree of an individual's pretension and snobbery. The extent of an individual's lack of imagination is demonstrated by his desire to follow certain customs merely because they are "the thing to do." The leaders-to-be of our country must have both imagination and initiative. They cannot be pretentious, shallow, or false. They must possess a vast store of personal knowledge, perceptiveness, and ability. A blind follower has none of these qualities.

In the opposite extreme, blind non-conformity or an unreasonable rejection of social benefits, is likewise the antithesis of progress. We cannot allow ourselves to be like this "beat" generation of radical non-conformists. They reject our rules of life and they set up codes of conduct and modes of dress more rigorous and demanding than our own. They fail to subject themselves to an analysis to find their own faults. Instead, they hide their faults with a cover of exhibitional non-conformity. Their assumed attitudes are merely a pretext to withdraw into themselves, to become isolated from the rest of society. However, these concepts have become so popular that numerous "normal" individuals take special pride in religiously conforming to this group, striving especially for group acceptance. Thus, this group, actually conforms to fixed rules more rigid than they realize. Today there are so many of these individuals that the old radical elements are searching for new forms of exhibitionism. Conformity of this sort leads to mediocrity and complacency. Today we simply cannot afford to be mediocre.

Our personal new frontier is one of continued challenges to both our intelligence and to our moral nature. In order to meet the requirement for progress we must analyze the causes of possible weaknesses in our social structure. We must also be aware of our abilities, and the forces available to us to prove our place in the new frontier.

HISTORY OF THE CLASS OF 1961

by Karel Weissberg

Students of the Class of 1961: here we are ready to graduate from Natick High School! Think back to what it was like when we first entered in September, 1957. Of course, we were not the usual bewildered freshmen, but we *were* a little less sophisticated than we are now. Nevertheless, we withstood that battery of aptitude tests given on the first day and began taking part in school activities. We elected Nancy Bross, Walter DeMelle, William Lewis, Carol Lindquist, and Janice Wilson to Student Council. We became members of clubs, went out for sports, and groaned about homework. That year we had undefeated football and hockey seasons. In track, James Santamaria was already excelling. He became the first ninth grader in Massachusetts to win a medal in state competition and the first to break the five-minute mile.

In May we held the first of our three exciting

campaigns. We elected as our sophomore officers: William Lewis, President; Patti Hersey, Vice President; Janice Wilson, Secretary; and Nancy Bross, Treasurer. Along with the executive board the next year they planned our first class endeavor, the Spring Swing. They also began to collect dues, and by the end of the year our class had set a record in dues-collecting. In fact, the Class of '61 has become the richest class in the history of Natick High!

Sports became important to us during sophomore year because Walter Hriniaik was on the varsity football, hockey, and baseball teams. Many others from our class aided varsity and J.V. teams in all sports.

Linda Bruneau brought recognition to us by winning a state gold pin award in arts and crafts.

We began our junior year led by officers William Lewis, Patti Hersey, Carol Lindquist, and Edith Hopf. Immediately plans were underway for the prom; the theme "Bali-Hai" was chosen and everyone worked hard to make it the best prom ever.

We had members participate again this year in the musical and the Science Fair. Robert Anstey won the grand prize at the Fair and went on to win a second prize at the Massachusetts State Science Fair and a grant from the National Science Foundation Fellowship to study in Colorado. He was also selected a semi-finalist in the Westinghouse Talent Search. Milburn Stuart won three state awards and a state gold pin in woodworking and Francis Morris won a graphic arts award.

The Science Seminar in connection with the Quartermaster Laboratories was initiated this year. Seniors Robert Anstey, Pamela Brady, Diane Hawkes, Patricia Mansell, and Florence Moore took part. Other new courses include third and fourth year Latin, World Literature, and an expanded Economics class.

We chose Theodore Bracken and Gary Witten to represent Natick at Boys' State, and as our Girls' State representative, Patti Hersey was elected Attorney General. Our class sent the first delegates from

Natick High ever to participate in the Tufts Northeast Regional Youth Citizenship Conference; they were Nancy Bross and Walter DeMelle.

Senior year has been the most hectic and exciting ever. One ambitious morning, senior girls startled the student body by riding up to school on bicycles! Another parade, this time to advertise our play, "Gentlemen Prefer Blonds", marched from the Common and was honored by a police escort! The commendable performance, which drew a record-breaking crowd, starred Gail Mosman, Christie McEnderfer, Walter DeMelle, and Wayne Wooley. The executive board and senior class officers Thomas Stewart, Patti Hersey, Janice Wilson, and Edith Hopf planned our next activity, an "Old Fashioned Christmas" Cotillion, at which Geraldine O'Keefe was crowned Snow Queen.

Also this year we elected Patti Hersey as D.A.R. Good Citizen and Theodore Bracken received the Brotherhood Award. In the Science Fair, Robert Ansely again won the grand prize, making him the first person ever to win this award twice.

In sports our teams worked hard, and even though the record wasn't perfect, we're proud of them. One of the most exciting football games of the season was the one in which Natick, led by Captain Joseph Kiley, came from behind four times to defeat Woburn, 28 to 26. Gary Witten and Walter Hriniak made the state All-Scholastic Team. Walter was most valuable player and highest scorer in the Bay State Hockey League. In indoor track, Natick placed second in the MET League and a very close second at the state Class B meet. At this event, Captain David Winner placed second in the 300, losing by inches; Gary Witten placed first in the shot put, and other lettermen earned points for Natick. Gary and Norman Bloomstein went to the National Meet in New York. Outstanding senior basketball players were William James and Louis Kern. The cheerleading squad, led by Janet Ross, practiced hard and brought home the championship.

Elynor Bloom, Sandra Ghetti, Leslie Rembijas, and Marianna Leccacorvi won awards given by the Gregg Publishing Company in the Order of Business Efficiency for outstanding work in Clerical Practice. Linda Campbell, Arlene Paquette, and Michele Roberts competed in the Facit National Typing Contest, and Richard White was a Blue Ribbon Regional winner in the Globe Scholastic Art Contest.

Members of our class performed this year in "Best Foot Forward", the first Broadway musical presented at Natick High; seniors Lewis Rosen and Elizabeth Smith had leading roles. Seniors performed in the Dance Band, A' Capella Chorus, and, of course, the Senior Six, which included Nancy Barstow, Linda Bruneau, Sherrie Jansen, Ingrid Lofgren, Linda Campbell and Shelia Rowe. Richard Incorvati was selected to sing in the All-State Chorus.

Patti Hersey was our delegate to the State House on Good Government Day. Gasper Capizzo, Edith Hopf, William Lewis, and Janice Wilson belonged to the exchange group headed by Patti which visited Revere and hosted the Revere High School delegation at Natick.

This year the National Honor Society established the precedent of members receiving their pins at their induction rather than on Class Day. Three members, Christine Erickson, Craig Reubens, and Karel Weissberg, qualified as semi-finalists for Honor Society Scholarships. Twelve seniors won Letters of Commendation from the National Merit Scholarship Corporation.

We are proud that Robert Cotter, John Frazee, Ralph Sims, and Carl Thorsen have entered the service. They will be among those receiving diplomas.

Now as the time to say good bye approaches, we want to thank all who have helped us in these four years, especially our class advisors, Miss Kaplan, Miss Pothier, and Mr. Woodhams. As the Class of 1961 we have always sought to do our best, and our achievements will continue to increase because of our training at Natick High School.

CLASS WILL

We, the illustrious class of 1961, whose numerous achievements unquestionably make us the most outstanding and ambitious senior class ever to graduate from Natick High, do sadly leave this, our Last Will and Testament.

To Mr. Hennigar, Mr. Bartnick, and the members of the faculty, we leave the underclassmen, those less-fortunate members of our school who have been deprived of the honor and privilege of being part of our renowned class, and who must remain within the hallowed halls of Natick High for another two or three years.

To Miss Kaplan, Miss Pothier, and Mr. Woodhams, we leave our sincere thanks for helping us plan all our class activities, including our tremendously successful junior-senior prom, held in Bali Hai last June and our never-to-be-forgotten senior-week activities this year.

We, also, leave our heartfelt thanks to Miss Shannon and Mr. Goddard who have done such a terrific job in helping us plan our yearbook.

To the Juniors, we leave the long-awaited, coveted title of SENIOR, together with the encouraging thought that in only 180 more school days, you, too, will be graduating.

To the Sophomores, we leave the privilege of being upperclassmen with the hope that you will live up to this title by adequately "taking care" of the incoming sophomores, who missed the honor of being dominated by us.

To Miss Hamm, we leave ten extra minutes to be tacked on to all French classes in order to try to make up for the new shortened class periods.

To Mrs. Brown, we leave a specially-designed lie-detector, built by Mr. Biedrzycki's B and D period physics classes, guaranteed to help in detecting those really sick from those suffering from "TESTITIS", a common ailment, brought on by thoughts of that dreaded test next period.

To Mr. McGrath, we leave several copies of a jazz album "Music to Play Hooky By", which were donated, under force, by several members of our class who prefer to remain anonymous.

To Mr. Slamin, we also leave an album — one by Shelly Berman, who heard about Mr. Slamin's copy of Bob Newhart's record and demanded equal time.

To various members of the faculty, we leave the privilege of using the following phrases again next year: "So much for that." "Where did YOU study Algebra last year?" "Parlez plus fort!" "F-R-F space, J-U-J space . . ." "Five points for squad one for being quiet during roll call." and "We shall now delve into several pertinent factors relative to this subject."

The following would like to leave personal requests:

I, Sandy Ghetti, leave to Janie Pistone my handy pocket addition of "How to Catch a Flyer" with the hope that she, too, will trap a "Blue Bird."

I, Ron Spinney, leave my '53 "Olds" to anyone with enough money to put it on the road.

I, Peter Holbrook, leave my speckled corduraos to Dick McCarthy, if he's brave enough to wear them.

I, Paul McDonald, leave my title of "Undefeated Ping-Pong King" to any underclassman clever enough to keep away from the good players, the way I did.

We, the cheerleaders, leave a well-used megaphone to that honorary Junior cheerleader, Bob Pipe.

We, the Advanced Biology Class, leave our baby powder to "The King."

We, Nancy Barstow and Marcia Lockhart, leave the task of writing our high school memories to any underclassman willing to share the blame.

I, Judy Duff, by popular demand, leave my "air-conditioned" blue sneakers to the nearest disinfectant company.

I, Ken "Mel" Hamway, leave my interest in the Boston Celtics to no one, because I plan to write several books about this ball club in the future.

I, Tony Pessini, leave my argyle knee socks to Tommy Moore.

I, Pamela Brady, leave my natural ability in mathematics to anyone planning to major in English.

I, Alan Grinspoon, leave singing "A wimeweh" with Peter Read.

We, all the SENIOR members of the safety patrol, leave our endless supply of Scotch tape to Charly Griffiss, the new S. P. chief.

I, Gus Capizzo, leave my suntan lotion to the two trusty goalies of the Junior class.

I, Susan H. Sullivan, leave my secret middle name to anyone brave enough to want it. (You'll be sorry!)

We, Pat Mansell, Patti Hersey, and Diane Armitage, leave our ghost costumes to Lynn Thoreoux, Donna Pineo, and Cheryl Dunston in case they get hungry next Halloween.

We, the "Irish" members of S260, Duncan Jones, "Stewy" James, "Butch" Hriniak, and Richard Incorvati, leave a special gift certificate to Mr. Lowell, good for one Kelly-green tie to be worn next Saint Patrick's Day in place of his red plaid one.

I, Diane Bradford, leave my name "Itty Bitty" to Peggy Hyotte with the hope that she will be luckier than I was and out-grow it.

I, Sherrie Jansen, leave Glockenspiel to Linda Robinson.

We Heath Fisk and Craig Reubens, leave our unusual singing ability to anyone who can successfully say, "Bomb, ba ba bomb, ba ba, bomb bomb bomb, ba ba bomb, ba ba bomb, ba ba, dang dang dang, ding ah dong ding, blue moon."

I, "Skip" DeMelle, leave my size 13 shoes, left to me by my brother, in the library for my sister when she arrives here in two years.

I, John Faldetta, leave my "favorite" nickname, "Chief", to its originator, Mr. Columbo, to pawn off on some other "Italian Indian."

We, Mary Lou Gray and Eileen Horton, leave our high heels to anyone who wants to come up in the world.

I, Kathy Vahey, leave my placard from the Senior Play "A Bas Les Hommes" (DOWN WITH MEN) in the waste basket, where it belongs!

I, Milburn Stewart, leave my initialed gym shorts to any underclassman with the initials M. S.

I, Linda Budnick, leave my pen name, "An Irate Senior", with the hope that I'll never need it again.

We, all the SENIORS not before mentioned, leave our condolences to all the underclassmen, likewise not before mentioned, on their loss on June 12, 1961, when the greatest SENIOR CLASS ever, will be graduated from Natick High.

In witness, where of, we, the members of the Class of 1961, have set our hand and seal here to this eighth day of June in this year of Our Lord one thousand nineteen hundred sixty-one, declaring this to be our Last Will and Testament.

FAREWELL ADDRESS

by Peter Read

Graduation brings to a close many memories. We are deeply grateful to the friends around us with whom we have shared happy experiences. Yet, today we leave an even more valued friend than these. This friend is education. The school with its dedicated teachers and advisors has had but one purpose: to guide each student towards the realization of his potential. There were problems, some of them we thought would never work out! But help has always been near at hand, from a parent, a teacher, or a friend.

If in some way I have managed to arouse a small feeling of regret at this moment, then my purpose has been achieved; but if we feel no elation at the wonderful future before us, then education has failed. Although we say goodbye to many old friends, we shall have new ones to greet. Hopefully, the past few years have prepared us for the challenges life will present.

The world we face teems with the abundance of new ideas and products to make life simpler and more enjoyable. Yet, the picture is not too rosy when

sixty per cent of the world's population does not have an adequate diet and over fifty per cent cannot read nor write. Why must children starve to death in the Congo or millions go uneducated in South America while one of us flies across the country by jet or watches the World Series in his living room? How can anyone brag of prosperity or equality when conditions such as these exist?

Perhaps more pressing than these troubles is the international situation. This past year has brought incidents of Communist intervention in Latin America, Africa, and the Far East. Cuba, the Congo, and Laos are all areas which have experienced intense internal strife, and even now one may read of such conflicts in the daily paper. These areas suffer not only from poor economic conditions, but from infiltration by an enemy whose beliefs are entirely alien to our concepts of freedom. The inhabitants of these countries shall not be free to speak and write their own ideas, to think as individuals, and to choose their own government if such intervention is allowed to continue. Communism suppresses the rights and freedoms to which all men are born, Red China, as well as the Soviet Union, openly and emphatically declares that one day the entire globe shall be dominated by Communism.

We must not allow these problems to discourage us. Hope does exist and this hope must be manifested by our actions. We cannot solve these difficulties according to any formulas of the past. Half-hearted efforts cannot hope to succeed today. Only the highest standards of moral, spiritual, intellectual, and physical strength can ensure a secure future. Indeed, that ancient law of nature — the survival of the fittest — demands revision! The task before us is to outfit the majority for survival.

Sitting here are the teachers, scientists, diplomats, clergy, and medical people of tomorrow. Just as important to survival are the servicemen, housewives, businessmen, and factory workers. Every individual has an important part to play in the destiny of man. It is our solemn duty to apply those high standards to each respective field. Let us hope that one day men will act with dignity as individuals, with respect for the opinions of others, and with love for all mankind.
